Motion: That the Los Angeles Police Department Street Racing Task Force, in coordination with the Department of Transportation, report back in 30 days on data related to intersection takeovers that involve intersections, street segments, or other public right of ways, and to identify locations with the highest volume of calls regarding this issue citywide. That the Department of Transportation, with assistance from the Los Angeles Police Department, and in coordination with the Los Angeles Fire Department, the Bureau of Engineering, and the Bureau of Street Services, analyze these locations to determine if there are similarities between locations, and produce recommendations for these locations, such as designs related to a Slow Streets framework. That the Department of Transportation report on all street racing measures that the City has applied or implemented related to intersection takeovers that involve intersections, street segments, or other public right of ways, as well as case studies of proven measures from other cities nationwide. That the City Administrative Officer and the Department of Transportation report back with a multi-year work plan and funding strategy to implement these treatments for both intersection takeovers andstreet racing in priority locations citywide. Approximately 6 minutes

President/Chair reserves the right to move agenda items

Agenda items not completed may carry to the next General Board Meeting

FACILITY USE GUIDELINES To help maintain a safe, clean, and secure school environment for students, staff, families, and community partners, we ask that all NHENC members, guests, and meeting attendees follow the guidelines below. Approved Areas of Use NHENC meetings and activities are limited to the following pre-approved areas: Multipurpose Room (MPR) Parking lot Restrooms directly adjacent to the MPR Grass area directly in front of the MPR All other areas of the school campus are considered restricted unless prior approval has been provided by school administration. Attendees should not enter classrooms, offices, hallways, playground areas, storage areas, or other school spaces.

Campus Access & Security Access to the campus should be limited to the approved meeting time and designated areas. Exterior doors and gates should not be propped open unless necessary for approved meeting access. Children attending meetings must remain under the supervision of their parent or responsible adult at all times.

Attendees should not move, access, or use school equipment, supplies, technology, or materials unless prior approval has been provided. At the conclusion of the meeting, NHENC representatives should ensure that all attendees have exited the campus and that designated doors and gates are secured.

Smoke, Vape, Alcohol & Substance-Free Campus Valor Academy Elementary School is a smoke-free and substance-free campus. Smoking and vaping are prohibited anywhere on school property, including the parking lot and outdoor areas. Alcohol, cannabis, and other controlled substances are prohibited on campus. These expectations apply to all meeting attendees, guests, vendors, and visitors.

Food & Beverages Food and beverages may be permitted in approved meeting areas. All food, beverages, containers, and related materials must be removed or properly disposed of after each meeting. Spills should be cleaned immediately to prevent damage to school property. Food should not be left behind or stored on campus without prior approval.

Care of School Property We ask all guests to help us maintain our campus for students and families. School furniture and equipment should be treated with care. Tables and chairs may be rearranged within the MPR as needed but should be returned to their original setup at the end of the meeting. Decorations, signs, banners, tape, or other materials should not be attached to walls, doors, windows, or school property without prior approval. Any damage, spills, maintenance concerns, or safety issues should be reported to the designated school contact.

Clean-Up Expectations At the conclusion of each meeting: Remove all meeting materials and personal belongings. Dispose of all trash in designated receptacles. Wipe down tables and meeting surfaces as needed. Return tables, chairs, and other approved equipment to their original locations. Check the MPR, adjacent restrooms, grass area, and other used spaces for trash or belongings. Leave all spaces in the same or better condition than they were found.

Returning Spaces to Their Original Setup To ensure that shared spaces are ready for the next group, all staff and visitors are responsible for returning the space to its original setup after use. Restore the original layout: Return all tables, chairs, and furniture to their designated locations. Use the reference photo: A photo of each space's standard setup will be available to help guide the process. Leave the space ready for use: Remove personal belongings, materials, and trash, and ensure the space is clean and organized. Complete a final check: Before leaving, compare the room's setup to the reference photo to ensure everything has been returned to its proper place. Thank you for helping us maintain welcoming, organized, and functional spaces for our entire school community.

Parking Meeting attendees may use the designated school parking lot during approved meeting times. Vehicles should be parked only in marked parking spaces Fire lanes, gates, driveways, and emergency access areas must remain clear at all times. Overnight parking is not permitted.

Respectful Use of Campus Valor Academy Elementary School is first and foremost a learning environment for children. All individuals using the campus are expected to conduct themselves in a respectful and appropriate manner.
